

The second step:]]; and

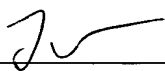

While maintaining the temperature at 45~95°C, sequentially adding Natural Bio Material 1-10 wt % (extracted from Aloe, Green Tea, Ginseng, Wood Vinegar, Pine Needles, Ginkgo Leaf, Mulberry Leaf (Silkworm)), Skin-friendly Enhancements 0.5-5 wt % (Extracted from Metilparavin, Propilpaprvin, Kojic acid, α -Hydroxy Acid and Retinol), and cooling it down to room temperature.

REMARKS

Claim 8 was amended to place the claim into form corresponding with practice before the USPTO. In particular, Claim 8 was formatted into a single sentence, and verbs were written in gerundial form consistent with US practice. Language referring to first and second steps was deleted, thereby broadening the scope of Claim 8. This is not a narrowing amendment made for patentability reasons.

The Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,
